

29: Compliments and Complaints

Kidz Enterprise is committed to providing a safe, stimulating, consistent and accessible service to children and their parents/carers. We always aim to provide high quality services for everyone, but accept that sometimes things do not go according to plan. In such circumstances, we want to know so that we can put them right and learn from our mistakes.

This policy constitutes Kidz Enterprise's formal Complaints Procedure. It will be displayed on the premises at all times.

If you have a complaint, Kidz Enterprise is committed to:

1. Listen and learn
2. Put things right
3. Improve our service

Under normal circumstances, the manager will be responsible for managing complaints. If a complaint is made against the manager, the Registered Person will conduct the investigation. All complaints made to staff will be recorded in detail using the Complaints Form.. The Registered Person will ensure that each complaint is fully investigated.

If the manager has good reason to believe that the situation has child protection implications, the designated Safeguarding Children Officer will be informed who will then ensure that the local social services department is contacted, according to the procedure set out in the Safeguarding policy. If any party involved in the complaint has good reason to believe that a criminal offence has been committed, then the police are contacted.

Stage One

If a parent/carer has a complaint about some aspect of Kidz Enterprise's activity, about the service Kidz Enterprise provides, or about the conduct of a member of staff, it will often be possible to resolve the problem by simply speaking to the individual concerned. As outlined in the Partnership with Parents/Carers policy, Kidz Enterprise is committed to open and regular dialogue with parents/carers and Kidz Enterprise welcomes all comments on its services, regardless of whether they are positive or negative.

In the first instance, parents/carers are encouraged to speak directly to the relevant member of staff, if deemed appropriate. If not, the manager should be approached and they will try to resolve the problem. If a satisfactory resolution cannot be found, then Stage Two of the procedure will formally come into operation.

Stage Two

If informal discussions of a complaint or problem have not produced a satisfactory resolution to the situation, parents/carers should put their complaint in detail and in writing to the manager. Relevant names, dates, evidence and any other important information on the nature of the complaint should be included.

Kidz Enterprise will acknowledge receipt of the complaint within (3) three working days and will give you a response to your complaint within ten (10) working days. We shall explain what we are doing to resolve the issues you have raised if it will take longer than the 10 days to do this.

The manager will be responsible for sending a full and formal response of the outcome of the investigation to the complainant - within 20 days of having received the complaint*.

The formal response to the complaint from Kidz Enterprise will be sent to the parent/carer concerned and copied to all relevant members of staff if appropriate. The response will include an account of the findings; any actions taken as a result, recommendations for dealing with the complaint and any amendments to Kidz Enterprise's policies or procedures emerging from the investigation.

The manager will arrange a time to meet the parent/carer concerned and any other relevant individuals, such as members of staff, to discuss the complaint and Kidz Enterprise's response to it. The manager will judge if it is best for all parties to meet together or if individual meetings are more appropriate.

If at the conclusion of this process parents/carers remain dissatisfied with the response they have received, the original complaint along with Kidz Enterprise's response will be passed to the Registered Person who will adjudicate the case.

If the Manager and the Registered person are the same person, parents/carers may have right of appeal to the Head of the School or club's Head Office.

Records of all complaints and their outcome will be retained for a period of at least 3 years from when the record was made.

Parents will be allowed access to all written records about their children on request (except in exceptional cases).

As part of the registration process of all early years and play provision by OFSTED parents/carers also have the right to make a complaint to OFSTED. This can be done by ringing Tel: 0300 123 1231 or writing to: Applications, Regulatory and Contact (ARC) Team, OFSTED, Piccadilly Gate, Store Street, Manchester, M1 2WD.
